

BIOLOGY COURSES

FALL 2024

BI 107 Molecular and Cellular Foundations of Life

BI 108 Organismal Biology

BI 235 Biostatistics

BI 242 Molecular Cell Biology

BI 245 Principles of Genetics

BI 252 Topics in Biology: Plant Cell Biology

BI 338 Plant Biotechnology

BI 351 Topics in Biology: Biological Clocks

BI 352 Topics in Biology: Disease Ecology and Evolution

BI 352 Topics in Biology: Protein Structure and Function

BI 368 Advanced Light Microscopy

BI 373 Scientific Communications in Life Sciences

BI 374 Senior Seminar Series in Biology
