RE: Morgan Open High Point Award

The American Morgan Horse Association is pleased to announce a new award offering, the Morgan Open Award. This award recognizes the highest scoring Morgan at events and competitions open to all breeds. We would be delighted to have you present this award at your next show, or competitive event.

The award is offered free of charge and any participating award presenters will be included in a calendar of events available to all AMHA members and those who visit the AMHA website (www.morganhorse.com).

Recipients of the award will be published in our breed magazine, website and other association publications. Not only is this a wonderful opportunity for your Morgan participants, but a great way to advertise your show, or event.

If you are interested in hosting this award please return the enclosed application via mail, fax, email, or phone your request in to:
