Skidmore is considering an alternative to the existing faculty and course evaluation survey. The information you provide below will be used to assess the usefulness of the new questions. While your answers to this pilot test of the new questions will help instructors improve their teaching, they will not be used for evaluating the overall performance of the faculty this year. Your instructor will not receive the results until after final course grades are submitted to the registrar. We appreciate your willingness to help us pilot the survey.

Please use a pencil or a dark ink pen and fill in the bubbles completely.
