

Welcome to the World!

Skidmore College
International Programs

Before meeting with an advisor, please take a minute to answer the following questions. This will help us to better advise you. Please be as specific as possible.

Date completed: _____

Name: _____ E-mail: _____

Local Phone: _____ Perm. Phone: _____

Major: _____ Minor: _____ Have you declared your major? _____

Overall GPA: _____ Academic Advisor: _____ Class of '0 _____

Attended Study Abroad Workshop: Y/N Valid Passport: Y/N Transfer Credits: Y/N

How did you hear about study abroad? _____

Program of Interest (if known): _____

1. What semester(s) would you like to study abroad?

2. What countries/cities would you like to study in and why?

3. Which foreign languages have you studied? (If you have not studied a foreign language, do you want to study one while overseas?)

Language

Highest Course Taken

When Taken

4. What are your primary **academic** goals for study abroad? (What subjects would you like to study while abroad? What language(s) would you like to take your classes in while you are abroad? How does study abroad fit into/enhance your overall academic plans?)

Name: _____ Last _____ First _____ Class: _____
--

5. Have you talked with your academic advisor about the prospect of studying abroad? Are there classes you **must** take while you are abroad in order to graduate on time? (Remember to consider general graduation requirements, major and minor requirements, and maturity-level requirements.)

6. What are your primary **personal** goals for study abroad? (How much and what type of involvement would you like with host country nationals? Upon completion of study abroad, what do you hope to have gained on a personal level? Are there particular activities you would like to participate in while you are overseas - music lessons, sports, etc.?)

7. Have you ever traveled to another country? Where, for how long, and for what purpose?

8. Have you talked with your parents/guardian about your plans to study abroad?

9. Are there any other factors (e.g. academic, personal, or health related) that would be a consideration when selecting a study abroad program?

10. Is financial aid a consideration when choosing a program? (Students may use financial aid for all Skidmore and Approved Programs. If you are not sure whether you will need aid to support your study abroad, please check with the Office of Student Aid and Family Finance.)

11. Have you done any research on studying abroad? If so, what have you found? Are there any particular programs you are interested in?
