

Worksheet Instructions

Section I – Enter the amount of tuition, room and board for the schedule below. If you are unsure of the student’s housing but sure the student will be on campus use the “traditional dorm” fee.

Section II – Enter any miscellaneous expenses that you want to include in your budget (music fees, riding fees, lab fees, ect.).

Section III – If you wish to purchase the optional health insurance offered by Skidmore please add \$1,100(estimate)

Section IV – First year students (freshman and transfer) enter \$150 for your records fee.

Section V – Enter the amount of your financial aid award. Do not include your work study award, as this is paid directly to the student. If you have not yet received your award letter you can use last year’s figures. You may subsequently adjust your SCIP budget when you receive your final award information by contacting the Bursar’s Office.

Section VI – Enter the amount you plan to take in Direct student or PLUS loans. The amount should be reduced by the origination fee which is 1% for Direct student loans and 4% for PLUS loans.

Section VII – Enter the amount you paid for a returning deposit. Returning deposits are normally \$400.

Section VIII –Sections I-IV minus SectionsV-VII
