Appropriate billing information and your menu must be selected and confirmed at least ten business days (not including weekends) prior to the event. We will make every effort to accommodate last-minute orders but additional service charges may be incurred.

Guarantees/Guest Count

To insure that we are ordering the proper amount of food, beverages and supplies for your event, a specific guaranteed guest count must be submitted no later than three business days (not including weekends) prior to the event; the guaranteed number is not subject to reduction. You will be financially responsible for 100 percent of your final guarantee, or the actual number of guests served, whichever is greater. If a guarantee is not provided, your last estimate becomes your guarantee. A guaranteed guest count is not a range; it is a specific number. Also, to ensure proper planning and reduce waste, it is expected that you will provide the exact numbers for vegetarian, lactose free, gluten free, vegan, nut allergy or any other special dietary needs.

Cancellations

In the event that you must cancel your function, there is no charge for cancellations made at least three business days (not including weekends) prior to your event. Cancellations made two business days prior to your event may incur an additional charge to compensate for food and labor costs. If a cancellation is made the day of the event, one half of the guaranteed number will be billed.

Please note: During times when Dining Services is essential (i.e. Administrative Closure due to inclement weather), no catering functions will be provided by Dining Services. No charges will be billed.

Food and Beverages

Due to New York State Health Department regulations, no food or beverages may be removed from an event. Leftover food and beverage is the sole property of the Dining Services Department. No credit will be given for unused food or under-attended events.

Gratuities and Taxes

Skidmore's catering staff is not allowed to accept gratuities.

Taxes of 7% will be added to the cost of your catering event when it is not billed to a departmental account or SCIP card number. Events not billed to a departmental account/SCIP card number will require a 50% deposit seven business days prior to the event with the balance due in full upon completion of the event. If a group is tax exempt, a tax exempt form must be submitted to the Dining Services Office prior to the event.

Delivery Services

Please establish accurate start and end times with our staff for your event. The event location must be unlocked and available at least 45 minutes prior to the event starting time as shown on your order.

Guidelines for Alcohol at Events

To make arrangements for bar service or beer/wine service, please call 580-5893.

Skidmore College Catering Services has primary responsibility for selling and serving alcohol at College events. Catering Services requires 30 business days notice for all events requiring alcoholic beverage service. This advance notice is required in order to obtain a permit from the NYS Liquor Authority. Catering Services is unable to provide alcoholic beverage service without a temporary permit from the NYS Liquor authority; there is an additional charge of \$40 for the temporary permit fee. In addition to the guidelines listed, please review the Skidmore College Policy on Alcohol and Other Drugs (AOD) at http://cms.skidmore.edu/student_handbook/alcohol-and-other-drugs.cfm.

NYS Liquor Authority temporary permits are required for all alcoholic beverage service at non-licensed facilities. Alcoholic beverage permit applications must be processed 30 business days prior to the event.

The service of alcoholic beverages at any given event is subject to approval.

Sufficient quantities of nonalcoholic beverages (in addition to water) and food must be available and prominently displayed at all times during an event at which alcohol is served. Any alcoholic punch or other alcoholic beverage must be clearly labeled as such.

It is our policy to ensure successful events. If at any time it is in the best interest of the college and/or our guests, we reserve the right to restrict, refuse or discontinue service of alcoholic beverages if we deem necessary.

A Final Word

The Catering Guide is offered to assist you in planning your event. It is our intention and desire that every event we are involved in meets and exceeds the expectations of our customers.

It's a pleasure to be of service. We look forward to making your event a memorable one!!

The prices quoted on our catering menus do not include tax and are subject to change.
