

**200 and 300-Level Enhanced Courses
4th Credit Hour Options**

Research in Language and Literary Studies

Faculty member _____

Course number _____

Course title _____

Fall _____ Spring _____ Year _____

Please check the options that you are using to fulfill the 4th credit hour in your course this semester. Indicate to the right of the option the approximate number of hours per semester (for a total of 45 hours, including students' preparation time) that you will allot to each option.

Students will devote 3 hours each week in addition to class time to independent or collaborative research projects related to the course material. Students will develop research questions, establish bibliographies, review relevant literature, assess sources, and present research findings in written reports and/or oral presentations. Students' research may take the form of a series of short projects, a series of short projects with a substantial final project, or a combination of written and oral projects.

_____ Independent or collaborative research _____ hours/semester

_____ Short written projects _____ hours/semester

_____ Substantial final written project _____ hours/semester
