SKIDMORE COLLEGE

Dear Friends,

Welcome to Saratoga Springs and the 18th annual Skidmore College Saratoga Classic Horse Show. Our management team and executive committee is committed to making sure that you have the best experience possible. Our goal is to provide you with a quality show experience that delivers a friendly atmosphere, thoughtful scheduling, and limited entries. We value your input and strive to meet your needs. We realize that there are some venue constraints, but please be assured that we are doing our best to make changes that will improve the show. In fact, we are in the process of planning our move to a new site to better suit your needs. Stay tuned!

The most important aspect of this horse show is that ALL proceeds go directly to fund scholarship awards for students admitted to Skidmore College. We are committed to making Skidmore accessible for all qualified students and currently are not able to do so. This is the College's single most important fundraising endeavor, and we are extremely grateful to all of our loyal sponsors for their continuous support and willingness to help provide access to higher education. Thank you!

We hope that you find the time to participate in the many exciting events that both the city of Saratoga Springs and Skidmore College have to offer. Please visit us under the tent, and we will be happy to provide you with helpful suggestions of where to go and what to see in Saratoga to make your stay enjoyable. We invite you and your children to visit the Skidmore campus, the Tang Teaching Museum and Art Gallery, and the Arthur Zankel Music Center. If you would like a guided tour of the College, please ask and we will arrange a time for you.

Enjoy the show and your visit to the historic city of Saratoga Springs where *Health, History, and Horses* are our tradition and our official city slogan. We look forward to seeing you soon!

Sincerely,

Adele Einhorn

Yaddo

Yaddo, the nation's preeminent artists' retreat, is proud of its longstanding relationship with the local community and delighted to support the Skidmore College Saratoga Classic Horse Show by providing the grounds for this important occasion. We wish our friends much success with this year's event.

—Elaina Richardson
PRESIDENT, THE CORPORATION OF YADDO

Recently designated a National Historic Landmark, Yaddo was founded in 1900 by the financier Spencer Trask and his poet wife, Katrina. Its mission is to offer creative artists the rare gift of a supportive environment with uninterrupted time to think, experiment, and create. Over the years, Yaddo has welcomed more than 6,000 artists working in film, literature, musical composition, the visual arts, and performance art. While most of the estate is dedicated to the artists' residency program, the historic Yaddo Gardens are open free to the public.

Visit our website at www.yaddo.org or find us on Facebook to learn more about Yaddo, the many contemporary artists who have been in residence, and the Yaddo Gardens.
