Dear Student,

Skidmore has partnered with EverFi, whose mission is to help students address critical life skills such as alcohol abuse prevention and financial literacy in high schools and higher education institutions across the country. Each year over 1/2 million students complete AlcoholEdu for College - their online, non-opinionated, science-based alcohol abuse prevention course.

As part of our comprehensive alcohol prevention program, Skidmore will expect each member of the first-year class and all incoming transfer students to complete AlcoholEdu. Whether you drink or not, this course will empower you to make well-informed decisions about alcohol and help you better cope with the drinking behavior of your peers.

To fulfill Skidmore’s requirement you must achieve the following:
- Complete the Final Exam with a 75% or higher
- Complete Part 1 (approx. 2-3 hours) by: August 27, 2013
- Complete Part 2 (approx. 15 min) by: October 29, 2013

Students who do not meet the specified deadlines will be unable to register for classes for the spring semester.
