TX 201: FACULTY-LED TRAVEL SEMINAR TO VIENNA, AUSTRIA
JANUARY 5-16, 2010

FACULTY
PROFESSOR MARY-BETH O'BRIEN (mobrien@skidmore.edu)
PROFESSOR DAVID WILDERMUTH (dwilderm@skidmore.edu)

“Travel is fatal to prejudice, bigotry and narrow-mindedness, and many of our people need it sorely on these accounts. Broad, wholesome, charitable views of men and things cannot be acquired by vegetating in one corner of the earth all one’s lifetime.” Mark Twain, The Innocents Abroad (1869) Chapter LXII

Travel Seminar to Vienna

Why Vienna?

Situated on the Danube River plain near the Vienna Woods and the Carpathian foothills, Vienna is Austria’s capital and the home to 1.6 million inhabitants. Originally a Celtic settlement and then a Roman military and commercial center, Vienna became the capital of the Habsburg Empire and a European center of power for centuries. Although Austria has been an independent republic since 1955, it still celebrates its imperial grandeur in historic buildings, the Sissi-cult surrounding Princess Elisabeth, the world famous Vienna boys’ choir, and the dancing white Lipizzaner horses. Vienna enjoys an unparalleled musical heritage: classical composers Schubert, Strauss, Schönberg, and Berg were native sons; while Haydn, Mozart, Beethoven, Brahms, and Mahler chose to live and work here. The city is not only the birthplace of the waltz, coffeehouses, Mozartkugeln, and Sachertorte but also modern psychoanalysis and fin de siècle art and architecture with proponents such as O. Wagner, Klimt, Kokoschka, and Schiele. Vienna boasts world-class art museums and a fascinating history, but it is also a vibrant, forward-looking city that enjoys a creative art scene and hosts many important international institutions including the offices of the United Nations, OPEC, and the International Atomic Energy Agency.
