I. Purpose

The purpose of this policy is to set forth the requirements applicable to all drivers of Skidmore College owned, leased, or rented vehicles or of personal vehicles while on College business. This policy is intended to ensure the safety of drivers, passengers, the public as well as minimize losses, damages, and claims against the College.

Driving a Skidmore College owned, leased or rented vehicle is a privilege and the College reserves the right to deny or revoke the driving privileges of any driver in the event that the driver does not meet the requirements of this policy.

II. Scope

This policy applies to all College faculty, staff and students to whom the College grants the privilege of operating a College owned, leased or rented vehicle.

III. Sponsoring Department Responsibility & Oversight

Sponsoring departments shall appoint a representative who will be responsible for maintaining a list of their authorized drivers and work with Business Services to ensure compliance with the Motor Vehicle Policy and it's training requirements. In addition, it is recommended that department supervisors meet annually with each of their approved drivers to review the Motor Vehicle Policy, their responsibilities and safe driving.

Departments will be held responsible should an accident occur involving an Unauthorized Driver. The department will be expected to pay the deductible amount for any insurance claim that may arise.

IV. Driver Eligibility

Drivers must be at least eighteen (18) years of age, have had a valid US driver's license or an International Driving Permit (IDP) issued by either the American Automobile Association (AAA) or American Automobile Touring Alliances National Automobile Club.

VI. Motor Vehicle Record (MVR) Standards.
