Summer Theater Workshop with the SITI Company
June 7 – July 4, 2015
General Information

Registration and Arrival
Again, welcome to the SITI Summer Theater Workshop at Skidmore College. Registration for residential students is Sunday, June 7th, from 1 – 4 p.m. on the 2nd floor of Case Center on the Skidmore College campus. At that time you will receive a Skidmore I.D. card and room assignment. A $10 refundable key deposit is required when you check in. Community students, who are attending the workshop but living off campus, are also required to register at the Case Center Registration Desk to receive a Skidmore I.D. card. This may be done any time after 2 p.m. on Sunday, June 7th but you may wish to register at a time close to the evening Orientation (and therefore make only one trip to campus that day). We are unable to offer housing to participants before Sunday evening. If you are an international student, and need to arrive before Sunday, please contact our office to make alternate arrangements.

Following dinner on Sunday, there will be an Orientation where you will meet members of the Company, staff, and fellow workshop participants. It is very important that you arrive in time for Orientation at 7 pm.

Travel and Preparation
In making your travel arrangements there are a few things you may wish to consider. If you are traveling by air, the closest airport is Albany International in Albany, New York, approximately a 40-minute ride from campus. There are bus and train stations in Saratoga Springs and each is about a 10-minute drive. The Saratoga Springs Amtrak station is 2.5 miles from campus, but fewer trains stop there. Please take a taxi or shuttle to campus. Drivers should follow directions to campus found on the travel sheet and, once on campus, signs to Case Center.

The following information is essential in planning your stay at Skidmore. This information can be found on the Skidmore College SITI Workshop website at http://www.skidmore.edu/summertheater. Click on the link for Accepted Candidates Info which is located on the left hand menu of the webpage. Unless requested, you will NOT receive this information by mail.

While you are here
The program is physically demanding and very rigorous. Plan to come prepared to challenge your mind and body; come well-rested and in good health. While on campus we invite you to enjoy all our campus and community have to offer. The campus itself is situated on a 750-acre lot with paths for walking and hiking. The dining hall offers a balanced menu with ample vegetarian options. Dormitory rooms are equipped with free internet access and cable television. The College’s extensive library offers quiet spaces for reading and reflection and public computer access. The Sports and Recreation Center’s pool, weight and training rooms, tennis courts and outdoor jogging track are also available for your personal use and the Tang Teaching Museum and Art Gallery specializes in cross-disciplinary approaches to a diverse range of subjects and houses the College’s Permanent Art Collection.

Showings of student work will be Thursday, July 2 and Friday, July 3 at 7 pm; family and friends are welcome to attend. The last meal served on campus will be breakfast Saturday, July 4; check out time is 11 am.

International Students
In accordance with U.S. Federal regulations, all non-U.S. Citizens must have a student visa to study in the United States. A tourist visa is not acceptable. If you are an international student, and have yet to begin the process of applying for a student visa, please download the directions and information from the Skidmore SITI Workshop website.

Accepted International Students will be expected to meet the first week of the Workshop to provide copies of their passport with the visa attached, and your signed I-20 form; time and place to be determined.
