Agenda items:

1. Chair greeted CEPP following winter break, and noted committee membership and scheduling changes. Corey Freeman-Gallant was welcomed as the DOF representative.
2. CEPP reviewed upcoming agenda items.
3. CEPP reviewed and approved minutes from the previous meeting.
4. Agenda Items
 - a. CEPP reviewed and discussed the Academic Calendar FAQ document. Edits were suggested to the Registrar.
 - b. CEPP held a nuanced discussion about our draft recording policies. Issues addressed included the importance of academic accommodations and the principle of reducing burden on students with special needs, developing default policy language that appropriately reflects community norms, relating misconduct to adjudicatory pathways and structures. We also discussed the need for increased clarity and organization of College policies in general, and in the context of upcoming Middle States accreditation process.
