Print Resources

In addition to printers in the Library, the following options are available in Case Center

- Xerox machine outside of the Print Services office on the lower level of Case Center. Students can print from this machine by using a USB drive or by accessing the print queue: \\xeroxprtsrv\PSwalkup_X Students can also scan to email and copy from this machine.
- An HP LaserJet M806 has been set up in the Case Lounge, next to the Information Desk, for student use. It is installed on all the public computers in Case Center.

For Windows PCs, the name of the printer is CaseLounge_Papercut.

For Macs, the name of the printer is Case Center Printer.

If students would like to install the printer on your personal computers,
please contact the [IT Help Desk](#)
