

**LEVINE INTERNSHIP AWARDS
IN AMERICAN GOVERNMENT, POLITICS, AND LAW
APPLICATION PROCESS
Skidmore College**

Award Competition: These internship awards honor the memory of Erwin L. Levine, who was a Skidmore Government Department Professor of American Politics and Law from 1961 until his retirement in 1988. Through the generosity of his family and friends, the Levine Internship Awards celebrate the life and legacy of a beloved teacher; respected scholar; treasured colleague; and inspired student of the history, theory, and practice of American politics and law. These awards are offered on a competitive basis to support Skidmore students who wish to undertake internships in fields related to the practice of American government, politics and/or law. Skidmore students from any major or minor may apply. Students are not required to apply for academic credit, but proposals must describe the academic aspects of their proposed internship experiences. Students may propose an internship in government, political, or legal offices. All applicants must demonstrate appropriate academic preparation for their proposed internship. Examples of internship sites include city, state, or federal government offices; federal agencies (e.g., State Department) or international agencies addressing U.S. political and legal issues (e.g., the United Nations); an interest group that lobbies Congress; or a Presidential library.

Summer grants are awarded in an amount up to \$4,000.

Eligibility: All students must be enrolled at Skidmore College full-time and be in good standing with the College to apply. Skidmore students from any major or minor may apply. Students are not required to apply for academic credit. International students should check with Student Academic Services before applying to identify any requirements they need to meet to qualify for this award. ***These awards cannot be combined with any other award, scholarship, stipend or grant.***

Application Process: The deadline for applying is **4pm Friday 23 March**. Applications should be submitted to Pat Choukeir in Starbuck Center 201. If you have any questions, please contact Pat (pchoukei@skidmore.edu) or call 518-580-5725.
