

Mark Newport 2025 Raab Visiting Artist Lecture

Wednesday, April 9, 6PM Tang Teaching Museum, Payne Room

The Art Department cordially invites you to attend this year's Raab Visiting Artist Lecture, featuring Mark Newport. Mark's work uses textiles, performance, print, and photography to reveal the vulnerability inherent in traditional western ideals of masculinity. He has had solo exhibitions at the Arizona State University Art Museum; the Cranbrook Art Museum; and the Chicago Cultural Center, and he was included in the American Craft Council's College of Fellows in 2024. His work is held in several museum collections, including the Whitney Museum of American Art in New York and the Renwick Gallery in Washington, D.C.
