

The MVP Network is Nationwide

Get the care you need, where you are.

MVP gives you access to more than 970,000 providers through our partnership with **Cigna Healthcare Network**. Cigna providers can be found in every state!

You also have access to the **Evernorth Behavioral Health** network, offered through Cigna, which includes more than 286,000 behavioral health providers nationwide.

Find a Provider

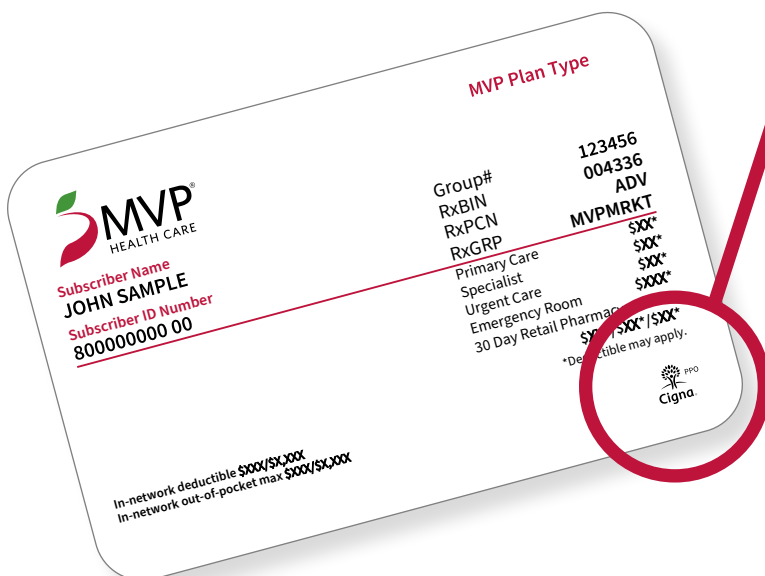

Sign in to Gia online or the *Gia by MVP* mobile app to find a provider near you—even when you are traveling. Select *Doctor/Facility Search* and enter a zip code to search by location.

If Your Provider is Not Sure

If your provider says they don't accept MVP, confirm they accept Cigna and show them the Cigna or Evernorth logo on your MVP Member ID card.

Providers can call the MVP Customer Care Center for Provider Services at the number on the back of your card to speak with someone Monday–Friday, 8:30 am–5 pm Eastern Time. They can check eligibility using an automated phone 24 hours a day.

To avoid processing delays, be sure the provider sends claims to MVP at the address on the back of your card.

Don't Forget!

When you can't get to the doctor, use the *Gia by MVP* mobile app for \$0 primary, specialty, behavioral, and urgent virtual care. Scan the QR code with your smart device or visit mvphealthcare.com/GetGia to download the app and set up your account.

Gia virtual care services are available at no member cost-share for medical plans, including qualified high-deductible health plans (QHDHPs). Exceptions may apply for self-funded plans. In-person visits and referrals are subject to cost-share per plan. Members enrolled in a Medicare Rx plan without additional MVP medical coverage do not have access to MVP virtual care services through Gia.

Health benefit plans are issued or administered by MVP Health Plan, Inc.; MVP Health Insurance Company; MVP Select Care, Inc.; and MVP Health Services Corp., operating subsidiaries of MVP Health Care, Inc. Not all plans available in all states and counties.
