

Be Prepared When You Need Care

With the Treatment Cost Estimator

Health care costs for the same service can vary—even in the same region.

The MVP Health Care® Treatment Cost Estimator can help you prepare for treatment, a procedure, or surgery. Use this easy tool in Gia® to compare costs and choose the right option for you.

With the Treatment Cost Estimator you can:

- View cost estimates for medical treatments and services
- Compare costs from different providers and types of facilities in your area
- Find the provider who best meets your needs
- Research and plan for your health care expenses

Get Started in Gia

In the *Gia* by MVP mobile app, tap *Estimate Treatment Costs*. Or, sign in at my.mvphealthcare.com and select *Get Care*, then *Find In-Person and Virtual Care*.

Estimates provided by the Treatment Cost Estimator are not a substitute for medical advice and are not an exact calculation of your final costs. Estimates do not include all of your health benefit terms, conditions, limitations, and/or exclusions. Estimates are not a guarantee that coverage will be provided. For comprehensive benefit details, please review your Certificate of Coverage (COC), Schedule of Benefits, Summary of Benefits and Coverage (SBC), and any applicable Rider(s). Your COC, SBC, and Rider(s) will be controlling. If you are treated by an out-of-network provider, you may receive a bill for the difference between the amount the out-of-network provider charges for the service and the amount paid by your health plan.

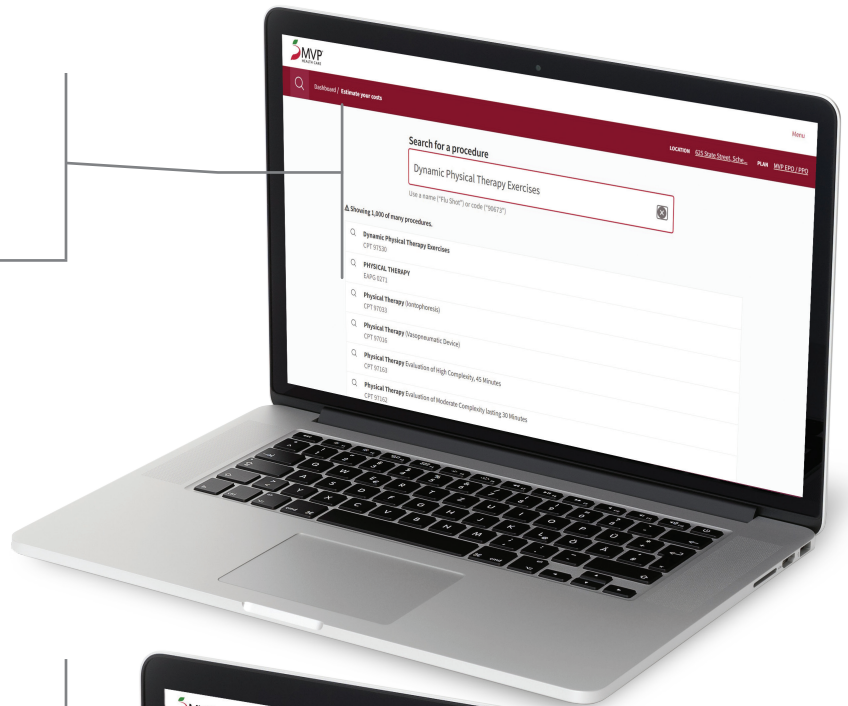

Health benefit plans are issued or administered by MVP Health Plan, Inc.; MVP Health Insurance Company; MVP Select Care, Inc.; and MVP Health Services Corp., operating subsidiaries of MVP Health Care, Inc. Not all plans available in all states and counties.
