About your plan

Our prescription drug plan offers:

- A **network of pharmacies** that includes national chains
- A **formulary** — or drug list — that includes many or all Part D drugs
- **CVS Caremark® Mail Service Pharmacy** for your maintenance drugs
- **Specialty pharmacy** services for complex-condition medicines that require:
  - Special handling
  - Refrigeration
  - Education and support

Although specialty pharmacies may deliver covered medicines through the mail, they aren't considered to be mail-order pharmacies.

So, most specialty medicines aren't available at the mail-order cost share.

Points to consider

- If you're currently enrolled in an individual Medicare prescription drug plan, enrollment into this group plan will disenroll you from your individual plan.

About Aetna Medicare Rx offered by SilverScript

Aetna Medicare Rx offered by SilverScript Employer PDP sponsored by Skidmore College is a Medicare Part D prescription drug plan provided by Skidmore College with additional coverage to expand the Part D benefits. The plan is offered by SilverScript Insurance Company, which is affiliated with CVS Caremark®.

Plan Costs

This section includes information about your monthly premium, annual deductible (if any), and cost-sharing amounts during the Initial and Catastrophic Coverage Stages for Aetna Medicare Rx offered by SilverScript.

Monthly Premium

Your coverage is provided through a contract with your former employer/union/trust. Your plan benefits administrator will let you know about your plan premium, if any.

Medicare Part D Drug Payment Stages

All Medicare Part D prescription drug plans have drug payment stages where drug costs may vary. You move through each stage based on the amount either you or the plan spend on prescription drugs. See the following section for information on the Medicare Part D drug payment stages. The Part D *Explanation of Benefits (EOB)* and other plan materials include additional information on the three drug payment stages.

Stage 1: Annual Deductible Stage

Annual deductible of $250.

This is a calendar year deductible. You must pay the deductible before the plan pays for most Medicare Part D prescription drugs. Your covered Medicare Part D prescription drug costs count toward meeting the deductible. The deductible does not apply to covered insulins or most Part D vaccines.

Stage 2: Initial Coverage Stage Cost Sharing

During the Initial Coverage Stage, you pay a portion of your drug costs, and the plan pays its portion. The following tables show what you pay until your out-of-pocket covered Part D drug costs reach $2,400. You may get your drugs at network retail pharmacies or through the mail-order pharmacy.

2027 Aetna Medicare Rx offered by SilverScript Summary of Prescription Drug Benefits for Skidmore College	
Monthly Premium	Your plan benefits administrator will let you know about your plan premium, if any.
Formulary	4T Comprehensive Plus
Network	P1
Annual Deductible	Annual deductible of $250. The deductible doesn't apply to covered insulin products and most adult Part D vaccines, including shingles, tetanus and travel vaccines.

Initial Coverage Stage

Your share of the cost when you get a *one-month* supply of a covered Part D prescription drug:

	Preferred Network Retail Pharmacy (Up to a 30-day supply)	**Standard Network Retail Pharmacy** (Up to a 30-day supply)	**Long-Term Care (LTC) Pharmacy** (Up to a 31-day supply)
Tier 1: Generic	$4	$5	$5
Tier 2: Preferred Brand	$20	$20	$20
Tier 3: Non-Preferred Brand	$35	$35	$35
Tier 4: Specialty	$35	$35	$35

Your share of the cost when you get a *long-term* supply of a covered Part D prescription drug:

	Preferred Network Retail Pharmacy (Up to a 90-day supply)	**Standard Network Retail or Mail-Order Pharmacy** (Up to a 90-day supply)	**Preferred Mail-Order Pharmacy** (Up to a 90-day supply)
Tier 1: Generic	$8	$15	$8
Tier 2: Preferred Brand	$40	$60	$40
Tier 3: Non-Preferred Brand	$70	$105	$70
Tier 4: Specialty	$70	$105	$70

You pay no more than $35 for a one-month supply and no more than $105 for up to a 90-day supply, of each covered insulin product regardless of the cost-sharing tier.

Stage 3: Catastrophic Coverage Stage Cost Sharing

During this payment stage, you pay nothing for your covered Part D drugs. For excluded drugs covered under the additional coverage provided by Skidmore College, you will continue to pay the same cost sharing amount during the Catastrophic Coverage stage.

Who can join?

To join Aetna Medicare Rx offered by SilverScript, you must be eligible for coverage provided by Skidmore College, be entitled to Medicare Part A and/or be enrolled in Medicare Part B, be a United States citizen or national, or an eligible noncitizen and live in our service area. Aetna Medicare Rx offered by SilverScript is available in the United States and its territories.

Which drugs are covered?

To find out if your drug is on the formulary (list of Part D prescription drugs) or about any restrictions, view your formulary online at AetnaRetireePlans.com, select Plan Type of PDP and the formulary name noted in the chart above. You may also request a copy of the complete plan formulary by calling Customer Care at 1-800-307-4830, 24 hours a day, 7 days a week. TTY users call 711.

Please note: Skidmore College provides additional coverage that may cover prescription drugs not included in your Medicare Part D benefit.

The following categories are included in your Non-Part D Supplemental Benefit:

- Cough and Cold
- Erectile Dysfunction
- Vitamins and Minerals

To view the medications in these categories, visit AetnaMedicare.com/SupplementalBenefitPDP.

Some covered drugs may have additional requirements or limits on coverage. These requirements and limits may include step therapy, prior authorization or quantity limits.

For more information about your share of the cost or which prescription drugs may or may not be covered, please call Customer Care.

How will I determine my drug costs?

Aetna Medicare Rx offered by SilverScript groups each medication into one of four tiers. Use your formulary to find out the tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier, which coverage stage you're in, and what pharmacy you use. As you move from stage to stage, the amount you and the plan pay for your drugs may change. If the actual cost of a drug is less than the normal copayment for that drug, you will pay the actual cost, not the higher copayment or coinsurance.

Which pharmacies can I use?

More than 60,000 pharmacies with over 20,000 preferred pharmacies nationwide make up the pharmacy network. These include retail, mail-order, long-term care and home infusion pharmacies. To find a network pharmacy near your home or where you are traveling in the United States or its territories, call Customer Care, or visit Caremark.com.

You generally must use a network pharmacy in order to receive full benefit coverage on your prescriptions. You may get drugs from an out-of-network pharmacy in an emergency, but you may have to pay the full cost (rather than your normal share of the cost) at the time you fill your prescription. If you use an out-of-network pharmacy in an emergency, we will reimburse you your total cost for a 30-day supply max minus your cost-share amount for the drug. You must submit a paper claim in order to be reimbursed.

Please note: After the mail-order pharmacy receives an order, it typically takes up to 10 days for you to receive your prescription drug. Specialty pharmacies fill high-cost specialty drugs that require special handling. Although specialty pharmacies may deliver covered medicines through the mail, they are not considered "mail-order pharmacies." Therefore, most specialty drugs are not available at the mail-order cost share.

Star Ratings

Plan ratings from members, providers and Medicare

18.0012111_H

Here's how Star Ratings work

The Centers for Medicare & Medicaid Services (CMS) uses information from member satisfaction surveys, plans and health care providers to rate Medicare plans and prescription drug plans (Part D).

Medicare plan ratings are based on factors that include:

- Feedback from members about the plan's service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from providers and hospitals that work with the plan

Each plan receives a rating from one star (lowest) to five stars (highest).
Star Ratings are calculated each year and may change from one year to the next.

See your plan's **Star Rating** on the next page.

GOOD TO KNOW

Avoid late enrollment fees

It's important to sign up for Medicare coverage during your **Initial Enrollment Period**. If you don't, the federal government may charge you an extra amount (late enrollment penalty).

These penalties aren't just a one-time late fee. They're added to your monthly premium for as long as you have coverage.

For details about how to avoid late fees, be sure to visit:
Medicare.gov/basics/costs/medicare-costs/avoid-penalties
