

## Nationwide Coverage Through the MVP Health Care® and Cigna HealthCare Partnership

Eligible MVP members have access to full national coverage through our partnership with Cigna, when traveling outside the MVP regional network. Employers and members have peace of mind knowing they have coverage throughout the country.

**The complete Cigna network is composed of more than 960,000 providers nationally with more than 15,000 facilities.**

### Cigna at-a-Glance

- **1,000,000+** relationships with health care providers, clinics, and facilities
- **960,000+** care providers and **15,000+** facilities<sup>1</sup>
- **122,000** behavioral health care professionals and **14,000** facilities and clinics
- **200+** collaborative accountable care arrangements with large primary care groups in **30+** states covering **2.4 million** customers
- **450** hospitals in the Hospital Quality Incentive Program

### About Cigna

Cigna is a global health service company dedicated to helping people improve their health, well-being, and sense of security.

- **225+** years officially founded in 1982 with the merger of INA Corporation and Connecticut General Corporation
- Cigna named to the Dow Jones sustainability indices in 2017: world index and North America index

### The Cigna Approach

Cigna designs concentrated, high-performance networks that make it easy for customers to find doctors, driving better outcomes and savings. The approach is to scale the national network and condense it down to a subset of the highest performing doctors and hospitals.

### Why does this matter?

- It helps provide more affordable alternatives for employees and their families.
- It helps guide high cost patients with chronic needs.
