### DEFINITIONS

**Meeting** – Defined as a gathering held to conduct the day-to-day work of the College. Examples include departmental meetings, faculty meetings, staff meetings, team meetings, and meetings with vendors to discuss business/College matters.

**Event** – Events differ from meetings in that their purpose does not concern the day-to-day business or running of the College. "Priority events" for the fall semester, as outlined by the College, include academic events, co-curricular and athletics events, key College events, and student social experiences.

### STATUS LEVEL RED

**Status Level Red** is reserved for outbreak situations on campus. If an outbreak were to occur, the College would implement additional safeguards and follow up with specific information to the Skidmore community about operational changes.
