

# *Safety Alert!*

**[Suspected Drugging of Drinks]**

**Date:** September 11, 2022

**Incident:** **Suspected Drugging of Drinks in  
Downtown Bar**

**Date/ Time:** September 11, 2022, at approximately 1 a.m.

**Incident:** A Skidmore Student may have been drugged at an establishment on Caroline Street in Saratoga Springs. The student, who was not injured, reported feeling unusually impaired in relation to amount of alcohol consumed. They suspect possible drugging.

## **Safety Tips:**

- Do not leave drinks unattended or consume drinks offered or handled by strangers.
- Be mindful of your drink, even when in your hand, while dancing or socializing.
