

Safety Alert ***Burglaries from Residential Halls***

Date of Incidents: 09/18/2014 and 09/23/2014

Description: Skidmore College Campus Safety is investigating three separate burglaries where an unknown person(s) entered unlocked rooms and took MacPro laptops. The thefts occurred in Penfield and Wilmarth Halls during daylight hours.

It is believed that the person(s) responsible were able to get into the residential halls by following students in or going in when students were coming out. Once inside, they walked down the hallways and checked for unlocked doors.

If anyone has had a laptop stolen, their room entered or think they may have seen the suspects described below, please contact Campus Safety at ext. 5567 or (518) 580-5567.

Possible descriptions: Both suspects are college age males:

Suspect #1: White male, about 5'8" tall, light hair, wearing jeans and a white T-shirt.

Suspect #2: Black male, about 6'0 tall, neck-length dreadlock style hair, wearing jeans and a green sweatshirt (possibly Skidmore).

Safety Tip: Always lock your room doors when leaving the room, even if it is for a few minutes.
