

## Minutes for CEPP meeting of November 3, 2010

Mimi Hellman, Chris Kopec, Josh Ness, Muriel Poston, Bob Turner (Chair)

- I. Approval of minutes. The minutes of October 27 were approved with revisions.
- II. VPAA Disciplines Project. There was continued discussion of CEPP's role in the Discipline's Project. It was decided that any action by CEPP at this point would be premature. CEPP decided wait until the December Academic Staff meeting to see individual departmental responses to the VPAA's request regarding the Disciplines Project before moving forward.
- III. On-line Credit Motion: CEPP discussed the current draft of the motion to accept on-line credit in transfer from accredited institutions.
- IV. Alumni Learning Census: CEPP reviewed the latest draft of the Alumni Learning Census. Questions were raised in regards to items 59-69 of the census, including why the college did not already have a respondent's racial identification. Furthermore, CEPP wanted more clarification about how ASC imagines this survey would change policy? It was agreed that CEPP would ask for a post-survey communication from the ASC regarding how the survey data impacts CEPP. In the future CEPP will ask for more detailed follow-up from the ASC to help close the loop on assessment.

Meeting was adjourned at 9:35 a.m.
