1. Minutes from previous meeting will be approved next week.
2. CEPP discussed ongoing move to online.
 - a. Sense of the Faculty vote passed with 94% in support.
 - b. IR will need to discuss how to move ahead with a trial for Spring (if possible); Chair suggests student survey following online trial to include their feedback on process.
 - c. Preparation continues for Jan 23rd open forum and Feb 6 COW; details for logistics discussed.
3. AI related discussions across campus
 - a. Lila & Natalie reported on student/faculty AI forum; this was well attended and faculty discussion from differing points of view was appreciated by students. Academic Council has notes they will share; student use and opinions will be canvassed through a survey.
 - b. Sheppard noted that Information Literacy is currently the locus for any assessment of AI use some degree; security, variety of use is diverse and the fluidity of tools is mixed; level of appropriate use is a moving target.
4. Spring semester preview of topics
 - a. Continuing with Student Evals and AI
 - b. Access and Title II
 - c. Microcredentialing and educational policy
 - d. Accreditation and Assessment
 - e. Academic calendar, leadership transition, other business
