- 1) Update on STEM faculty questionnaire on qualitative evaluations.

The Chair provided the Committee with an update on the STEM faculty qualitative evaluations working group. The working group agreed to add a question assessing STEM faculty interest in a standardized long form to their forthcoming questionnaire.

- 2) Continue discussing CEPP's Spring 2021 plan for reforming the teaching evaluation process towards a more holistic model.

The Committee continued its discussion of the proposed changes to the Faculty Handbook. Specifically, the Committee discussed the addition of (a) new section(s), and revising the language and content of existing sections.
