- 1) Continue discussing CEPP's Spring 2021 plan for reforming the teaching evaluation process towards a more holistic model.

The committee discussed revisions to the Faculty Handbook, making changes specifically to the descriptions of "Course Content and Delivery" and "Inclusive Teaching." The committee also revised the language in the Faculty Handbook concerning how informed judgment in these areas should be made.

These revisions having been completed, the committee resolved to share the new language with ATC and PC and to invite the chairs of those committees (as well as any interested members) to discuss such changes at the next meeting of CEPP.

The meeting was adjourned at 5:03.
