

## CEPP Meeting Minutes

04.29.2021

Zoom Conference 4:10-5 pm.

Attendees: Sophia Paulino Adames, Peter von Allmen, Andrew Bozio, Sean Heaney, Jina Mao, Feryaz Ocakli, Michael Orr, Leigh Wilton.

Scribe: Andrew Bozio

The meeting began at 4:10

- 1) The minutes were approved.
- 2) Peter von Allmen's report on holistic model of teaching evaluation conference.

Allmen shared his findings from the ninth annual meeting of the Assessment Network of New York, focusing in particular on the way that other New York schools approach student evaluations (particularly within the context of a holistic model). Allmen also spoke to the question of all-College assessment. An extraordinary amount of research has been generated about student experience in the FYE.

- 3) Examine the proposed changes for the Faculty Handbook.

The committee reviewed the most recent updates to the proposed language and continued its revision of that language.

- 4) Make a tentative plan for next year.

The chair of CEPP noted two items that were included on this year's agenda but which were not addressed. The first is an instructional video, aimed at offering guidance to students in the completion of evaluations. The second concerns ELL.

A third item would involve bringing a motion to the faculty to change the faculty handbook. Further work may involve departmental policies for evaluating teaching and evaluation forms.

The meeting ended at 5:00
