

Appointments & Tenure Committee Operating Code 2021-2022

FUNCTION (from the Faculty Handbook):

To represent the Faculty on administrative appointments and reviews and on faculty appointments, promotions related to the tenure process, and tenure, and to make recommendations on these matters to the appropriate administrative officer. The Administration shall consult ATC to determine which administrative personnel decisions the committee judges to require faculty representation. Special meetings with the President, the Dean of the Faculty/Vice President for Academic Affairs, and the Associate Dean of the Faculty (faculty affairs) may be called at the request of any of these administrative officers or the committee. At least one meeting of the joint trustee-faculty committee is held during each academic year. Revisions to some parts of Part One (Faculty Rights and Responsibilities) of the Faculty Handbook are reviewed by ATC for its recommendations prior to a faculty vote.

MEMBERSHIP (from the Faculty Handbook):

Seven faculty members with tenure, at least one each from the different divisions and no two from the same department, chosen from the ranks of Professor and Associate Professor, none of whom is on CAFR, PC, or FAB, elected to serve three-year terms.

A member who has served a full three-year term is eligible for re-election after being out of office for two years; members who complete an unexpired term or serve an interim term in place of a regularly elected member on leave are immediately eligible for re-election provided the service does not exceed one calendar year.

Members of ATC may not participate in the tenure cases of candidates in their own departments/programs and a substitution will be made by the remainder of the committee. In exceptional cases of conflict of interest, ATC may substitute one or more members for a specific case. Former ATC, PC, and CAPT members may serve as substitutes during the two-year period following a full three-year term. Substitutes may serve concurrently on cases for ATC and PC but may not be current members of CAFR, or FAB.

Replacements for such cases will be identified from recent members of ATC, CAPT, and the former Tenure Review Board. The first eligible faculty member will be chosen from a list beginning with the past members of the named groups who have most recently heard a case. If multiple substitutes from the same year are available, ATC will attempt to in a way that preserves the representation of all four divisions.

This may include information from other faculty members who have been closely associated with the candidate and from administrative officers such as Program Directors, Associate Deans of Faculty, Director of Academic Advising, and Dean of Student Affairs, who may be in positions to offer information about a candidate's participation in interdisciplinary programs, co-curricular activities, and academic advising.
