

**Faculty Executive Committee
Meeting Minutes
Thursday, November 08, 2016
2:15-3:30 PM**

Present: Denise Smith (chair), Ron Seyb, Patti Steinberger, Greg Gerbi (scribe)

1. We discussed the ongoing elections and two issues raised by faculty. Some faculty were concerned that holding elections every day does not give voters enough time to make an informed decision about their votes. Other faculty had comments and concerns about diversity on ballots and committees. We plan to review our ballot-building and voting procedures in the spring term.
2. We discussed some aspects of the November faculty meeting and FEC's role in overseeing conduct at faculty meetings.

Respectfully submitted,
Greg Gerbi
