

Entering Authors, Investigators, Presenters, Performers, etc.

When you enter a record into any of the 6 screens under the Scholarship/Research category:

- Contracts, Fellowships, Grants and Sponsored Research
- Exhibits and Performances
- Intellectual Property
- Presentations
- Publications
- Other Research Activity

By default, your name will appear as the first author, investigator, presenter, performer, inventor, etc. Your last name, first name and username will be displayed:

The screenshot shows a form titled "1st Author/Editor/Translator" with an "Actions" dropdown in the top right. The form contains several input fields: "People at Skidmore College" (a dropdown menu with "Hoehn, Mary (mhoehn)" selected), "First Name" (text input with "Mary"), "Middle Name/Initial" (text input), and "Last Name" (text input with "Hoehn"). Below these are "Organization" (dropdown), "Role" (dropdown), and "If a student, what is his/her level?" (dropdown). A red circle highlights the "People at Skidmore College" dropdown menu.

In cases where you wish to use a different name, you can alter the name that will be displayed in Watermark Faculty Success reports for the record you are entering. Just type the alternate name you wish to use for that record, and your reports will display that entry with the alternate name. However, this will only affect the record for which the information is entered. The information must be entered into each record for which you want an alternative name to be displayed.

To add additional contributors, click on the *+Add Row* button:

This screenshot is identical to the one above, showing the "1st Author/Editor/Translator" form. In this version, a red circle highlights the "+ Add Row" button located at the bottom center of the form.

If the co-contributor is a faculty member at Skidmore, you may select his/her name from the “Select or type a name” drop-down list on the left:

Skidmore students and non-Skidmore faculty will not appear in the drop-down list. If the co-contributor is a student or is not a faculty member at Skidmore, type the name of the individual and his/her organization in the fields:

Note: Watermark Faculty Success is a relational database. For example, if multiple Skidmore users authored an article, the first user to enter the citation is considered the “owner” of the record. When a user enters the citation, the record will be associated with ALL of the collaborating authors. If you see a record that says, “Entered By: Faculty Name,” then a co-contributor has already created the record. **Please do not create a duplicate record.** If any of the information entered by your co-contributor is incorrect, please work with that individual to correct it.

Changing Contributor Order

For records with more than one contributor, you can easily change the contributing order using the  icon on the far right side of the page and selecting *Move Row*:

The screenshot displays a form with three rows of contributor information. Each row has an 'Actions' dropdown menu on the right. The 3rd row's 'Actions' menu is open, showing options: 'Add Row Above', 'Add Row Below', 'Move Row' (circled in red), and 'Delete Row'. The form fields include 'People at Skidmore College', 'First Name', 'Middle Name/Initial', 'Last Name', 'Organization', 'Role', and 'If a student, what is his/her level?'.

You will then be prompted to indicate the new position for the contributor:

A dialog box titled "Move 3rd Author/Editor/Translator" with a close button (X) in the top right corner. The text inside says "Enter a new position between 1 and 2." Below this is a label "New position" followed by an empty input field. At the bottom are two buttons: "Cancel" and "Move".
