Dates are intended to capture the time spent working on curriculum development or teaching innovation that will be delivered at a future date; the delivery of the course itself will be captured under the Scheduled Teaching Screen, where you can indicate if this was a new course preparation or a new format for an existing course. For activities that you started but have not yet presently completed, specify the start date and leave the end date blank. At least one date must be entered and be between June 1 – May 31 of the reporting year in order for this activity to appear in your Annual Summary Report.

Start Date
