

FACULTY MEETING
May 18, 2011

RESOLUTION

BE IT RESOLVED, that the Skidmore faculty marks the end of University Without Walls, Skidmore's 40-year old academic program, by--

- (1) acknowledging and thanking the UWW leadership, staff, faculty, alumni, trustees, and donors who pioneered and developed UWW when nontraditional education was in its infancy in the United States;
- (2) celebrating the accomplishments of the alumni of UWW who have done so much to enhance the reputation of Skidmore College nationally and internationally;
- (3) paying tribute to the spirit of adult learning and nontraditional higher education, both of which reflect well on the legacy of Lucy Scribner Skidmore;
- (4) Recognizing UWW's contribution to making the community of Skidmore students and alumni more diverse in nationality, ethnic and socio-economic background, and age;
- (5) applauding UWW's service to the greater Saratoga Springs community, including Skidmore employees and students from the Adirondacks, who would not otherwise have had the opportunity to earn a Skidmore degree.
