

FACULTY MEETING

April 6, 2012

MOTION

CEPP moves to defer the vote on the Culture-Centered Inquiry requirement introduced at the February 24, 2012 meeting until the May 16, 2012 faculty meeting.

Rationale

Due to concerns regarding diminished participation due to Passover/Good Friday, as well as concerns that the faculty that are not present may have particularly keen views regarding the Motion due to the culture-centered focus, CEPP requests that the vote be deferred
