SCHOLARSHIPS AND FINANCIAL AID

\$50 MILLION

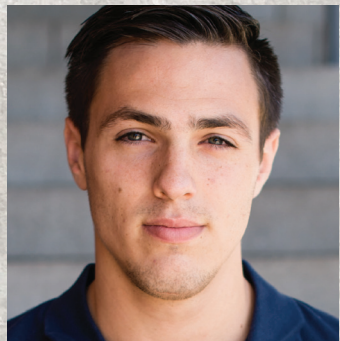

Scholarships and financial aid are key to providing talented students the opportunity to realize their ambitions and fulfill their dreams regardless of economic circumstances.

WHY NOW? Need continues to grow, but we cannot fund all deserving students who apply for financial aid.

Gifts for scholarships bring diversity of culture, experience, ethnicity, intellectual interests and economic backgrounds to our community.

SKIDMORE FUND

\$50 MILLION

The Skidmore Fund touches every aspect of campus life, enhancing educational experiences, supporting world-class faculty and giving the College the resources to fund our most critical priorities, every day.

WHY NOW?

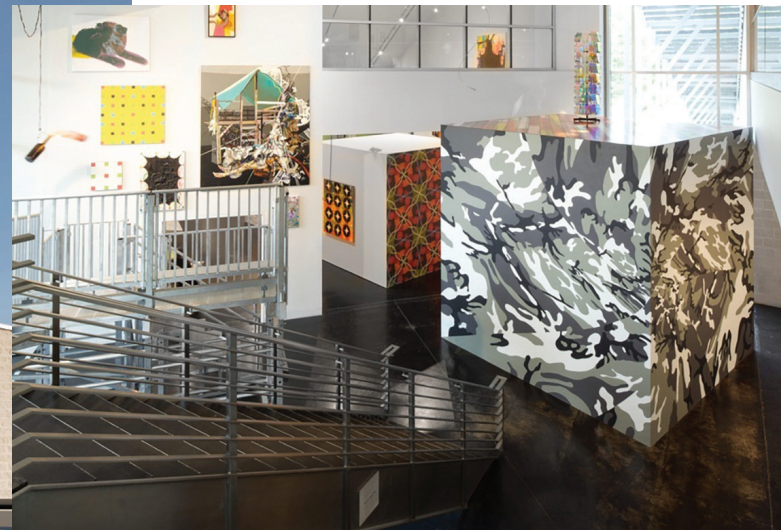

Twenty percent. That's how much *more* it costs to educate each student above and beyond tuition. Gifts for the Fund help make up that difference. Every gift—at every level—matters. As participation grows, so does the impact for students.

THE TANG TEACHING MUSEUM AT SKIDMORE

\$20 MILLION

The Frances Young Tang '61 Teaching Museum and Art Gallery is a national model for museum learning, creativity and undergraduate exploration. Faculty, students and visitors experience dynamic collections, artworks and programs every year.

WHY NOW?

Developing inspirational exhibitions and programs takes expertise and resources. Gifts for the Tang will provide the dedicated funding the Museum needs to retain and enhance its position as a model for innovation and teaching.

ATHLETICS

\$20 MILLION

With 19 varsity teams, dozens of club and intramural sports and significant wellness activity on campus, athletics and related programs are an integral piece of the Skidmore experience.

ACCOLADES

8 NATIONAL CHAMPIONSHIPS

194 NCAA DIVISION III ALL-AMERICANS

83 CONFERENCE CHAMPIONSHIPS

18 COSIDA ACADEMIC ALL-AMERICANS

100 NEW THOROUGHBRED SOCIETY MEMBERS EACH SEMESTER

WHY NOW?

Student athletes are excelling on and off the field, but Skidmore's athletic facilities have not kept pace with the same standard of excellence. Gifts will support athletics capital projects as well as fitness and wellness on campus.

CAREER DEVELOPMENT AND TRANSFORMATIVE EXPERIENCES

\$10 MILLION

Collaborative research, internships and other experiential learning opportunities help students realize their passion and potential and set them on the path to successful, fulfilling careers.

WHY NOW?

Employers seek creative thinkers with practical experience who know how to achieve results. Gifts for career development will help ensure all students can participate in at least one career-enhancing experience during their time here.

What gifts count during the Campaign?

All gifts and pledges received between June 1, 2013 and May 31, 2020, will count including: unrestricted and restricted gifts, gifts for capital projects, gifts-in-kind and planned gifts.
