

## **Motion to Adopt the 2025-2026 Faculty Handbook (10/3/2025)**

### Motion

FEC moves that the faculty adopt the 2025–2026 Faculty Handbook as the governing document for faculty policies and procedures. This version of the Faculty Handbook reflects changes approved by the faculty in 2024-25 and updates that ensure consistency with the Collective Bargaining Agreement (CBA) ratified between Skidmore College and the bargaining unit. Revisions include the removal of language that duplicated or conflicted with the CBA, as well as formatting updates and clarifying edits for coherence and transparency.
