The year in summary:

The FDC met 15 times during the year. The committee awarded 55 Faculty Development Grants, three Faculty Research Initiative Grants, one International Faculty Development Seminar Grant, four Emeritus Faculty Development Grants and one Kress Family Creative Pedagogy Grant. The committee approved grants for 58 Faculty/Student Summer Collaborative Research Projects involving 39 faculty and 73 students. The FDC designated recipients for the three major faculty awards: the Edwin M. Moseley Faculty Research Lecturer, the Ralph A. Ciancio Award for Excellence in Teaching, and the Distinguished Faculty Service Award. The FDC also recommended sabbatical leave in 2014-2015 for 28 faculty and selected nine of the faculty applying for a full year sabbatical to receive a Full-Year 60% Sabbatical Enhancement Award. The list of awards and recipients follows at the end of this report.

The FDC consulted (through the Associate Dean of the Faculty) with the SGA regarding the selection of the faculty speaker for the 2014 Commencement.

The FDC submitted two budget initiatives for AY 2014-15: increases of \$30,000 each for the Full-year 60% Sabbatical Enhancement program and the Travel to Read and Represent program. Both requests were funded.

The FDC, in consultation with Susan Kress, made changes to the Kress Family Creative Pedagogy Grant: the annual grant is now \$2,000 and no explicit preference is given to pre-

tenured faculty. The FDC also made minor changes to the Faculty Development Handbook for the Summer Faculty-Student Research Grant, simplifying and consolidating certain details on the application form. Other minor changes will be made over the summer to various sections of the 2014-15 Faculty Development Handbook.

The FDC would like to recognize the stellar contributions of Bill Tomlinson who, although classified as a “guest” at committee meetings, was not treated like one; we really made him work! We appreciate his contributions to many of the committee’s deliberations, and particularly his detailed understanding, and patient explanation, of the various “pots” of funding available for faculty development.

The committee is also indebted to Debbie Petersen for her truly outstanding administrative support, and for her unflagging good cheer. Finally, the FDC thanks Associate Dean of Faculty Paty Rubio for her continuing leadership in and support of all forms of faculty development at Skidmore.

Respectfully submitted,

James Kennelly, Chair of FDC, Spring 2014
