Minutes, Faculty Development Committee, April 1, 2014

Minutes from last meeting approved.

The notice for the emeritus grants was sent out. We have received no applications to date, though we expect one.

The Committee might want to consider more changes to the collaborative research grant application process based on this year's experience. Also, in the future, the letters to applicants will be generated by the Associate Dean's Office.

Cianco award files are available—talk about them next week.

The faculty commencement speaker will be Peter McCarthy.

Faculty Development Grant applications were evaluated. The Committee plans to ask for an increase in the funding available for FDG grants in the next academic year.

The Committee approved 27 Faculty Development Grants.
