C. FULL-YEAR SABBATICAL ENHANCEMENT AWARD

The Faculty Development **Committee will offer 3-4 awards** to support full-year sabbatical/pre-tenure leaves at 60% of salary. Full-Year Sabbatical Enhancement Awards provide compensation beyond the Sabbatical Stipend provided by the DOF/VPAA's office for all sabbaticals. Faculty applying for a full-year sabbatical are eligible for both. Full-Year Sabbatical Enhancement Awards are highly competitive; therefore, faculty should clearly outline the projected scope of work to be accomplished during the sabbatical year.

IV. New business

- A. Faculty Development Grant - 30 applicants

- 1. message from Flagg (10/09/14)

I am writing in regards to the FDC grant I submitted. If possible, I'd like to increase my request to the max of \$1800. The Carrico funds (the other source of funds for my anticipated trip to Prague in June) available are a bit less than I hoped. Thanks-
Flagg
