

Faculty Development Committee  
Minutes  
4/4/18

1. The committee discussed membership issues and questions about exemptions regarding members.
2. The committee discussed a letter received from the Chair of CAFR focusing on sabbatical issues and questions regarding faculty who cannot finish their sabbaticals due to unforeseen circumstances. The committee agreed that we simply provide an advisory role. The decision regarding how faculty might finish their sabbaticals at another time is not the purview of FDC. FDC thanked CAFR for the information and agreed that we will remain in an advisory role for issues that might arise in the future.
3. The committee discussed how we will read the nominations and materials for the Ciancio award nominees. Committee members agreed to read the materials that will be housed in the DOF/VPAA's office.
4. The ADOF brought up the conversation regarding how the College might celebrate and recognize the Ciancio award winner. FDC will continue this conversation at our next meeting. The committee will also discuss changing the materials FDC requests from nominees.
5. Erica Bastress-Dukehart will announce the 2018 Mosely award winner at the 4/6/18 faculty meeting.

The meeting was adjourned at 3:15pm

Respectfully submitted by Erica Bastress-Dukehart
