Q: How your membership in the Honors Forum affected your professional career?

A: I work at Lincoln Center, an epicenter of arts and culture. The place is living and breathing "the life of the mind." The environment is an inspiring place to be every day. I bring the lessons that HF taught me to this community and continue to challenge myself in every aspect of my job.

A: My advice is to any HF member is to never pass up a homemade jam square by Prof. Golden.

HF MUG SHOTS:

Phoebe sent in this picture of her HF mug next to a NYC Ballet program. It serves as a reminder of her past as a member of the Honors Forum as well as a great way to keep her focused and her coffee warm!

If you have any pictures of your HF mug in strange or exciting places, please send them to djohnsto@skidmore.edu!
