During AY 2006-2007, the full IRB met 6 times. Thirty-five protocols were submitted for review from September 2006 through August 2007. Of these, 28 were either expedited or full reviews and the remaining 7 were exempt from review.

Over the course of the academic year, the Chair served on the Sponsored Research Officer Search committee which resulted in the hire of Dr. William Tomlinson. Dr. Tomlinson will assume the duties of the Human Subjects Protection Officer and Anita Miczek will function as the IRB coordinator beginning fall 2007.
