During AY 2012-2013, the full IRB met seven times. Thirty-two protocols were submitted for review during the academic year. No adverse events were reported.

During summer 2012, nine protocols were submitted and eight were approved; one required a full review and was discussed at the September 2012 meeting and approved pending minor revisions.

Anita Miczek, the IRB Coordinator, managed the process of securing Continuing Reviews for all active protocols (68 protocols) prior to their renewal date.

The IRB membership was re-registered in the fall and again in the spring to reflect changes in the members serving on the committee.

Respectfully submitted,

Mark Rye, Chair
