

Available SPSS Modules via Campus License

These modules for SPSS 22 are licensed for use by Skidmore College under these conditions:

- SPSS may only be used for “for teaching and non-commercial academic research on computers owned or leased by Licensee”.
- There is NO free “Home Use” option. We purchased very few home licenses. Faculty may request one via a help ticket.
- Administrative use of SPSS is not included. We purchased a miniscule number of licenses. If you feel you need one, please make the request by help ticket.
- There is no college-provided licensing for student owned computers.
