

## Microsoft Student Advantage Program for Skidmore College Students - Apple

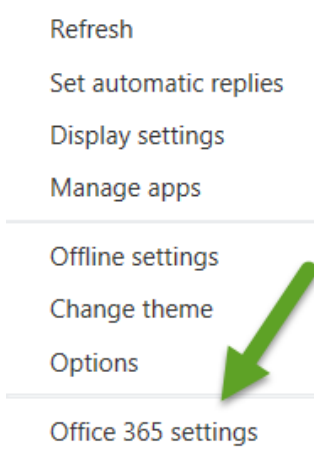

### How do I get *Microsoft Office* for my Apple computer?

Microsoft Office is now available for the Classes of 2015, 2016, 2017, and 2018. The graduating Class of 2014 is not eligible. To take advantage of the “Microsoft Student Advantage” offer from an Apple Macintosh computer:

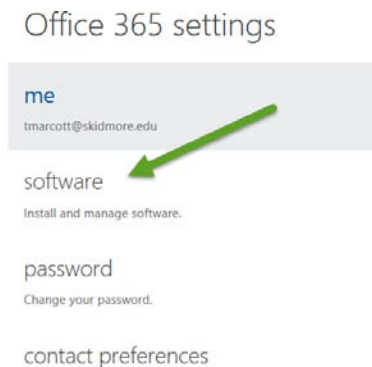

1. Use your own personal computer on which you want to install *Office*.
2. Log into email: <http://www.outlook.com/skidmore.edu>
3. Click on the “gear” in the upper right corner next to your name:

4. Click on “Office 365 settings”:

5. Click on “Software”:

6. Click “Review system requirements” and make sure your hardware will support the software. Then click “install.” You will download a .dmg file which will contain the installer program.
