Residence Life - Emergency Contacts
Test5 Res5 (999999905)

As per federal law, all students are required to provide Skidmore College with emergency contact information. This requirement is dictated by the Higher Education Opportunity Act, 2008.

To meet this requirement you will need to provide at least one emergency contact that the college is to contact in case of emergency. This person should be a parent, guardian, or other person who would be able to be contacted and assist in the event that an emergency situation were to arise involving you as a student during your time at Skidmore College.

Contact the Office of Residential Life if you have any questions.

If you need to add a contact please click on the **"Add new"** link below to add a contact.

To edit an existing contact's information click on the **"Edit"** link next to that contact.

To delete an existing contact's information click on the **"Delete"** link next to that contact.
