Welcome to the Hotel Application

[Test5_Res5_\(999999905\)](#)

Due to the extraordinary circumstances we are facing this Fall semester, Skidmore College has partnered with a nearby national hotel chain to offer student housing. While this may not have been what you were thinking of for housing, it does offer some exciting opportunities and amenities, including:

- Single and Double Rooms
- Queen size bed, minimum
- In-Room Refrigerator and Microwave
- Private Bathroom
- Access to Pool and Fitness Rooms (State mandate dependent)
- Hotel Cafe and food available
- Shuttle bus to and from Campus
- Close access to campus and downtown
- On the CDTA bus route

Our goal in housing students in hotels is to attempt to meet the necessary numbers with interested students. This application will be used to house interested students in a hotel room. Students will have the opportunity to express interest in a Single or Double room.

Emotional Support Animals

Emotional Support Animals (ESAs) on campus are approved through the Housing Accommodations Committee chaired by Meg Hegener in Student Academic Services.

This year, we are gathering information on students' preferences regarding living with animals. In the event of vacancies that may arise during the course of the 2020-2021 academic year, we would refer to these preferences when looking to place a student with an ESA into a new housing assignment. We cannot guarantee that we will be able to honor all requests, but will take the information provided below into account. It is our responsibility to ensure all students have equal access to their education and their housing. As such, we ask that you answer the following questions honestly and with details as appropriate.

Below, we will be asking about your preferences regarding living with a student with an Emotional Support Animal. We will also ask you to explain your choice. We do not expect you to give in-depth personal details, but do ask that you provide the information needed to take your preference under consideration in the case that we are placing another student in a room with you. For example, appropriate responses may include, 'I have a severe cat allergy,' 'I am used to living with animals and would be okay with an ESA living in my space,' 'I do not mind small animals, but would prefer not to live with a dog or cat,' 'I have a phobia of dogs,' 'I have an approved ESA and would prefer not to live with a second animal,' etc.
