Welcome to Skidmore College Office of Residential Life's Off-Campus Selection for the 2020 - 2021 Academic Year.

The following pages will provide you with the option to select off-campus accommodations for the 2020 - 2021 academic year. Before selecting to live off-campus, please keep in mind the following:

#### **The Off-Campus Housing Option is Open to All Returning Students**

- The off-campus housing option is available to all students in the Classes of 2021, 2022, and 2023 for the 2020-2021 academic year only. No guarantees are made that this will be the case for the 2021-2022 academic year.

#### **Once You Select This Option it is Final**

- Once you select off-campus housing for the 2020-2021 academic year it is expected that you will be living off-campus for the entire 2020-2021 academic year. You will not be permitted to participate in Apartment or Residence Hall selection.
- Students who wish to come back on-campus will need to petition the Office of Residential Life to come back on-campus. Students who do will be placed on an on-campus housing waitlist and will be housed on a space available basis.

#### **You Need to Submit Off-Campus Address information**

- All students living off-campus will need to submit off-campus address information that includes your personal off-campus address and the address and contact information of your landlord. You will have until August 3, 2020 to submit this information. Any students that have not done so by that time will be put on hold. You can submit your address in the "Off-Campus Address Submission" module located on the home page of this housing system.
