Remote Study

[res Res1 \(999999901\)](#)

For the 2020-2021 academic year, students will be permitted to study remotely from any location.

For housing purposes, the Office of Residential Life needs to know where students will be living and ensure that all students have housing for the Fall semester.

To this end, we have provided students with the opportunity to report their intentions regarding studying remotely and share their location.

Students intending to live within 40 miles of Skidmore's Campus should complete the Off Campus Housing Application.

Completion of this application will finalize your housing. You will not be able to participate in any other housing selection processes and you will be 'housed' as Studying Remotely for the semester.
