

September, 2019

Dear Fellow Retiree:

Crisp, cool nights. Sunny days with a slight northern wind in the air. Leaves beginning to mound on the ground. It must be autumn. What better time is there to hold a gathering of friends?

On behalf of Skidmore College, I am pleased to extend a warm invitation to you for our Retiree Luncheon event, scheduled for **Tuesday, October 15, 2019**, from 11:30 am to 1:30 pm on the second floor of the Murray-Aikins Dining Hall.

This event is primarily an informal social gathering, but we will continue our practice of hearing from one of our comrades about what she or he has been up to since retirement. This time around, Lynne Gelber, emeritus professor in the Department of World Languages and Literatures, will describe the work she has been doing with the Saratoga Chamber Players.

Please join us for engaging casual conversation and the opportunity to connect with other Skidmore retirees.

RSVP by **Friday, October 4, 2019**, by contacting Terry Diggory, [tdiggory@skidmore.edu](mailto:tdiggory@skidmore.edu), or phone or text: 518-860-0262. Spouses and partners are welcome. Please indicate any special access needs.

A special note: To reduce cost and workload, all future communications from the Retiree Initiative Planning Group will be sent by email unless you specifically request now to continue receiving hardcopy mailings. Please include that request with your RSVP to the luncheon.

Sincerely,

Terence Diggory  
On behalf of the Retiree Initiative Planning Group
